Dear Parents/Carers,

As you are no doubt aware, there has not yet been a Government directive to close schools and colleges. However, in the event that we do close at some stage, our expectation is for all children to complete most of their work online.

In order to finish preparations for this possible eventuality, we need to know that parents/pupils are able to access IXL, Read Theory, Purple Mash and Seesaw. Passwords are in the children's diaries. Could you please complete and return the slip below providing the following information:

- Will your child need school to supply pencils and paper?
- You may have internet access in general, but we need you to confirm that you can actually access the sites mentioned above.

Please return the slip as a matter of urgency.

On a separate issue, If you feel you could be part of the Community Response Team which has been set up to support the vulnerable in the village at this difficult time, please provide your name and contact details which will be passed on to Verity James who will coordinate volunteers.

If you have any queries or concerns on any of the above, please speak to someone in the School Office.

Yours sincerely,

Mrs. S. Tickle  
Headteacher
