

Dear parents/carers

Welcome back. We'll soon be surrounded by flowers and summer sunshine!

Our topic this half term is 'The farm'. We are hoping to inspire the children to help to look after our world by having many opportunities to learn about the plants and animals that live in it. We will be finding out about life on a farm, lifecycles and bees.

We are pleased to announce that we have booked 'Animal Magic' to visit the children instead of taking the children out of school on a trip. The cost of this activity is £9 per child and Nina in the school office is busy creating a letter and payment system for this. The activity will take place on Tuesday 11th July.

This term we are also planning to **host a colourful rainbow ball**. We would like to invite all parents/carers to the event. There will be more details to follow. Our family event sessions have always been very popular and involve a sponsored rainbow activity. This year it will of course be in rainbow colours! Money raised continues to improve and replace resources in our unit. We look forwards to sharing our full plans with you soon. I will contact you again with a confirmed date.

Thank you again to all those who donate Toyfund. It really does make such a huge difference to us. If anyone can spare £2.50 and would like to donate, please pass any money on to a member of staff.

Here is our new outdoor play furniture. The children are going to have great fun in our outdoor water area!

Thanks.
Mrs Garside
